## Tire Protection Plan

-  FREE rotation every 6000 miles for life of tires
-  All tire repairs in **Tire Repair Zone** are at NO CHARGE
-  If damage occurs to the **Non-Repair Zone**, within the first 2/32nds of wear that tire will be replaced at NO CHARGE
-  After the initial 2/32nds of wear, if a tire has damage to the **Non-Repair Zone** the tire replacement cost will be prorated (you pay for what you have used). Pricing is at current replacement costs.
-  If by chance you are out of the area and something happens to your tire, get it repaired or replace, keep the receipt and you will be reimbursed.
-  This protection plan will be for the *damaged tire only*. There may be additional costs to you if your vehicle has to have more than one tire installed because of tread depth issues per your vehicle's specifications.
